PLAN

Consultation 1	Student log	Date/Time/Venue
Connect with Learning Facilitator Establish GL expectations Tasks for Refined Learning proposal discussed, agreed for production	Key points discussed: - Ms Hu's introduction and recommendation to use LinkedIn Learning online courses for Javascript, HTML, CSS - Python coding language is not really relevant for website building. I should stick to just Javascript, HTML, CSS What I must produce for next session: - Completed/Finalised version of my Learning Contract before submitting it - Finalise my Action Plan Timelines Reflection on my learning progress so far (what went well, what didn't go well, what do I need to improve on) Reflection on my learning progress so far (what went well, what didn't go well, what do I need to improve on) - Time management – I have to manage my time properly between my core modules and Guided Learning - Proactiveness – As GL is a student-initiated subject, I have to be the one to initiate consultation with Ms Hu	29/10/2025 @ 12:00pm TP Library

PERFORM

Consultation 2	Student log	Date/Time/Venue
Assigned Tasks for Research on project, project work and e-Portfolio curation completed Next steps to progress research, project work and e-Portfolio curation discussed and agreed for production	Key points discussed: - Kept on track according to my Learning Contract - If I can finish it early, it will be good - HTML & CSS Notes were written down accurately - Github & VS Code were done	27/11/2025 @ 02:15pm IIT/Science benches

Tasks to monitor progress and close gaps in research, project work and e-Portfolio curation discussed and agreed for production

- in line with the LinkedIn Learning course tutorial
- My website will be my e-portfolio
- Discussed the layout of my draft E-Portfolio website that I will create (i.e. "About Me", "Behind the Scenes" sections)

What I must produce for next session:

- At least 1st page of the e-portfolio
- The final website if possible

Reflection on my learning progress so far (what went well, what didn't go well, what do I need to improve on)

- Kept on track according to my Learning Contract
- Initiate future meetings with Ms Hu as GL is a self-directed learning module

Consultation 3	Student log	Date/Time/Venue
Tasks to monitor progress and close gaps in research, project work and e-Portfolio curation discussed and agreed for production completed	Key points discussed: - Final site/E-Portfolio flowed and followed the guide - Layout of my final site's pages (i.e. About Me, Behind the Scenes) - To include video and photo of the progress (already done with the "Project" tab for photos. Left with uploading the video recording on the "Behind the Scenes" tab) What I must produce for next session: - Complete the remaining pages - Especially the Reflection pages – To see if my final Reflection follows the given guide Reflection on my learning progress so far (what went well, what didn't go well, what do I need to improve on) - Kept on track according to my Learning Contract	15/01/2026 @ 2:00pm Catalyst @ TP benches

Consultation 4	Date/Time/Venue
Practise oral reflection using e-Portfolio as evidence completed Key points discussed: - Flow of my Reflections & Behind the Scenes - Evidence (photos and videos) are relevant to support my progress What I must produce for next session: - Prepare on how I would share my journey during the oral reflection - Practise on my oral interview skill Reflection on my learning progress so far (what went well, what didn't go well, what do I need to improve on) - I managed to follow through the schedule that I had initially set on the Learning Contract - I was able to create the final site as the E-Portfolio	15/01/2026 @ 2:00pm (via MS Teams)
